

## Data Sheet

### Product Information

|                      |                                                                                                                        |
|----------------------|------------------------------------------------------------------------------------------------------------------------|
| Catalog Number       | BP62618                                                                                                                |
| Product Name         | Anti-LILRB1 antibody                                                                                                   |
| Description          | Leukocyte immunoglobulin-like receptor subfamily B member 1 is a protein that in humans is encoded by the LILRB1 gene. |
| Tested Applications  | WB: 1:1000; IF: 1:100-1:300; IHC:1:50-1:200                                                                            |
| Species Reactivity   | Human, Mouse, Rat                                                                                                      |
| Host Species/Isotype | Rabbit/IgG                                                                                                             |
| Molecular Weight     | 71 kDa, 110 kDa                                                                                                        |
| GenBank              | BC015731                                                                                                               |
| Uniprot              | Q8NHL6                                                                                                                 |
| Concentration        | 490 µg/ml                                                                                                              |
| Form                 | Liquid                                                                                                                 |
| Storage Instruction  | 10 mM sodium HEPES (pH 7.5), 150 mM NaCl, 100 µg/ml BSA and 50% glycerol.<br>Store at -20°C. Do Not Aliquot.           |
