

## Data Sheet

### Product Information

|                                          |                                                                                     |
|------------------------------------------|-------------------------------------------------------------------------------------|
| Catalog Number                           | BP14977                                                                             |
| Product Name                             | 5-Fluorocytidine                                                                    |
| Description                              | 5-Fluorocytidine with antiviral activity                                            |
| CAS No.                                  | 2341-22-2                                                                           |
| Chemical Formula                         | C <sub>9</sub> H <sub>12</sub> FN <sub>3</sub> O <sub>5</sub>                       |
| Molecular Weight                         | 261.209                                                                             |
| Solubility                               | DMSO: 10 mM                                                                         |
| Storage                                  | Powder: -20°C for 2 years<br>In solvent: -80°C for 1 year                           |
